EARTH DAY AWARD NOMINATION DEADLINE IS JANUARY 31, 2002

The deadline for nominations for the Utah Board of Oil, Gas and Mining's 2002 Earth Day Awards is fast approaching. Nominations must be received no later than January 31, 2002. Earth Day Awards are presented each year to companies, organizations or individuals who go beyond what is required by regulation to protect the environment while developing Utah's natural resources.

Awards are presented in each of three areas: oil and gas, mineral mining, and coal mining. Specific award categories include environmental improvement to an active mine site, exploration site, or producing field; outstanding results following applications of innovative environmental technology; and outstanding final reclamation or site restoration.

For more information, or to obtain a nomination form, contact Vicki Bailey at (801) 538-5327 or Jim Springer at (801) 538-5324.
